Dear [REDACTED]

This email follows up from Green Dot Public Schools California's ("Green Dot") April 28, 2019 email in which Green Dot indicated that it would produce records by June 28, 2019, pursuant to your April 18, 2019 records requests (the "Requests") under the California Public Records Act, California Government Code Section 6250 et seq. Please click on this [link](#) to access the responsive records to the Requests in the format requested.

Green Dot understands its obligation under the PRA to assist you with making a focused and effective request that would facilitate identification of responsive records. (Cal. Gov. Code, § 6253.1.) If, at any time, you believe that Green Dot has improperly interpreted your request or you would like to clarify your request, please explain your position and Green Dot will take it under consideration. Please contact me, at your earliest convenience, if your request has been misinterpreted and/or you would like assistance in clarifying your request.

As anticipated, the direct cost of producing copies of the records in electronic format was zero dollars and zero cents (\$0.00).

Please be advised that to the extent that Green Dot inadvertently produces any privileged document(s) that are encompassed by an exemption under the PRA, or any state or federal law, such a production is not intended to be a waiver of any privilege or any right to withhold such documents or documents of a similar nature.

Best regards,

Keith Yanov
